

Elgin Middlesex Youth Indoor Soccer League – Premier Tier

Based on demand from clubs from Guelph to Windsor the Elgin Middlesex District Soccer League is creating a Premier Tier in our current indoor league. This Premier Tier is approved by Elgin Middlesex Soccer Association and is being developed to provide better competition for competitive youth teams in Southwest Ontario.

Premier Tier Details:

- Divisions: U8 – U18 boys & girls divisions
- Start Date: November 4th/5th or 11th/12th
- End Date: late March
- Frequency: 2 games per day every 2 weeks
- Times: Saturdays or Sundays
- Location: BMO Centre in London
- League Fee: estimated at \$2,400 per team (estimated 20 games x \$120 per game)
- Referee Fees: \$15 per team paid per game (estimated \$300)
- Other: all teams must have insurance & player cards
- Includes season ending tournament in March

Division Eligibility:

- U8: EMSA members only
- U9 – U11: EMSA, LKSA, SWRSA members are eligible (travel distance is within 45 minutes from District Boundaries)
- U11-12: EMSA, LKSA, SWRSA members are eligible (travel distance is within 1 hour from District Boundaries)
- U13 – U18: all clubs including ECSA are eligible

Note 1: ECSA teams in U11-U12 can annually travel to 4 memorable events and they may use these to participate in this league.

Note 2: All of the above information was provided by the OSA

By October 13th email the following:

- 1) Club name & contact info (phone & email)
- 2) Team name & team manager contact info (phone & email)
- 3) Division for the team (include boys or girls and classification U8-U18)
- 4) \$800 team league fee deposit, send e-transfer to payments@bmocentrelondon.com, password "London"

Note 1: If a division does not have enough teams then the interested teams will play a revised shorter exhibition schedule &/or the division will kick off the league in January when more teams enter. A full refund will also be available if necessary.

Note 2: advise us of a) any weekends or b) standard times on Saturdays/Sundays that your team is 100% NOT AVAILABLE
